

**Hayes School of Music
Advisory Board**

PURPOSES

1. Strengthen ties between the Hayes School of Music and the musical and artistic communities.
2. Increase awareness and interest in the programs and activities of the Hayes School of Music.
3. Suggest ways in which the Hayes School of Music can be responsive to the needs of the community, state, and region.
4. Assist in advancement efforts to support the programs of the Hayes School of Music and the professional development of its faculty.
5. Provide information on current practices and developments in music education, music performance, and the music industry for use in curriculum development.
6. Provide advice in planning graduate and undergraduate programs.
7. Assist in recruitment of students and placement of graduates.
8. Interact with current students.
9. Serve as a resource for the Dean of the Hayes School of Music.
